Product Description

Mahindra ROXOR Side By Side HD Base Model

Mahindra engineers the official tractor of tough. Now, we've used the same engineering and materials to build the world's toughest side-by-side. At 3/4-ton industry-leading payload, no other UTV can endure the abuse or environments we put the ROXOR's heavy-gauge steel frame and body through. And when you factor in a 55-hp Turbo Diesel engine, you have a vehicle that can go anywhere. WE DARE YOU TO COMPARE

- Steel body
