Product Description

RZ C 42" Briggs and Stratton®

We love the RZ-C, and so do our customers. With the same fusion-welded tube frame as our bigger zero turns, this compact version has the same durability with a lower starting price. Its 4" deep deck allows it to maneuver easily in tight places.

- 4" Deep Deck
- 5 gal Fuel Tank
- 18,500 FPM Blade Tip Speed
- Commercial Components: Ag Bearings, Belts, Blades, Idlers, Pulleys, Electric Clutches
- Exclusive Carlisle Turf Armor Bias Ply Tires
- Tuff Torq 300 Transmissions

Available in a 42" or 54" deck size and with the Briggs 25 hp or Kawasaki FR651 21.5 hp engines, the RZ-C is a compact solution that delivers the same great results. Give the RZ-C a test drive and see how we packed a BIG punch with a smaller-sized mower.
