Product Description

KGZ XD Black Out 61" Vanguard

New for 2022, the King of the Grass Ride-On KGZ-XD Blackout. Robert's been dreaming this one up for a while now...and here are just a few advantages that take this mower to a class of its own:

- 2800 RPM engine speed for instant maximum torque.
 - Rugged fusion-welded reinforced tube frame
 - 16cc Parker HTG integrated hydros with no power-robbing reduction gears
 - 4 Tweels for smooth, flat-free performance and increased traction
 - 4 shocked front spring suspension with multi-adjustment
 - dual fuel tanks with 17 gallons of fuel capacity
 - 55+ pounds of torque, EFI, electronic governors, and electronic variable spark advance
 - oversized electric clutch to handle torque load
 - special Blackout super seat, adjustable with TecsPak® adjustable suspension under the seat
 - Vanguard® engine with Oil Guard System
 - New magnetic mower height adjustment pin
-
