Product Description

KG XD 61" Kawasaki FX801

The KG-XD King of the Grass Stand On Mower combines all the best features of a zero-turn with a stand-on unit to work better, faster, smoother, and with more comfort from its sit-behind seat. Just lean back against the seat with your feet on the “soft-ride” platform and place your knees against the “Dymetrol®” angled bolster. We believe it is even more comfortable than a sit-down Z!
